FROM DESIGN TO INSTALLATION, YOUR VISION WITHOUT COMPROMISE

Decorator Industries welcomes you to a sampling of projects that we helped create! We hope you enjoy them as much as we loved transforming each space. We are proud to have been part of the teams that inspired the decor at each of these locations.

We manufacture window treatments, bedding and accessory products with a focus in both the hospitality and healthcare industries. The DI team is dedicated to delivering exceptional craftsmanship and design for each and every client!

YOUR HOME AWAY FROM HOME

With a focus on both bedding and window treatments, DI provides elegant custom products that are made to your exact needs and specifications. A room with peaceful tranquility and luxurious accessories will create a unique décor that personalizes each room. By focusing on the guest's experience, you can create a room's motif that lends itself to a hotel stay that provides the complete package of relaxation and rejuvenation time and time again!

MODERN DÉCOR MEETS CLASSIC ELEGANCE

Creating rich, beautiful draperies, blinds, roller treatments and top treatments are at the core of DI's services. These along with embroidered pillows and custom printed roller shades are unique examples of the specialty services available. We specialize in putting the finishing touches on any room and our products can customize your space to make it pop with both color and design. Our work enhances any design. This regal space is one example of how our services accentuate community spaces in hotel lobbies, meeting rooms, and bar/dining areas. Have a vision? There are endless options for fabrics. We work with many mills and can help you find what you need and make it a reality. Your satisfaction is our goal!

ITFITS! FOUNDATION COVER AT YOUR SERVICE

One of Decorator Industries most innovative products with patent proven technology is the ItFits! Foundation Cover. Known for its resounding ease-of-use, crisp, clean appearance and smart design, its footprint in the hospitality industry is growing by leaps and bounds!

When you plan your next bedding or room update, consider this product. It will save your hotel time and money with less upkeep for staff. The tight fitting foundation cover with this unique patented design offers reduced wear and tear, which lends itself to a longer product life. Ultimately, DI's innovative product creates a more elegant room, while also producing a smart business solution for you!

LESS IS MORE

A touch of nature, with the tropics out your door. You can almost hear the sea gulls and feel the ocean breeze as the waves break on the shore. This room hosts a minimalistic style featuring crisp white linens with soft and subtle nautical tones. Whether it's a suite or standard room, we can help. Working with our clients through every step of the decorating process, from pre-measure to quoting, or embroidery and design to installation, our team of highly skilled professionals is there to meet your every need.

BRINGING THE OUTDOORS IN

Bring warmth and a natural feel to your design space by maximizing the amazing views and natural light with complementary window treatments. This subtle approach creates an experience for your guests that draws in the beauty from outside, while also creating interior design elements that tie into this essence.
